For assistance, see Form IT-2105-I, *Instructions for Form IT-2105, Estimated Tax Payment Voucher for Individuals.*

To help us match your New York State estimated tax account to your New York State income tax return, and to avoid a delay in processing your return, note the following:

- Social Security number (SSN)/taxpayer identification (ID) number Make sure that the entire SSN used on your vouchers agrees with the number on your Social Security card and the number used on your New York State income tax return. If you use a taxpayer ID number, this number must agree with the number used on your New York State income tax return. Failure to do so may result in monies not being properly credited to your account.
- Name Make sure that your name is spelled correctly. You should enter your first name, middle initial, then last name in the spaces

provided (for example, *John O. Smith*). Your name **must** agree with the name on your New York State income tax return.

- Foreign addresses Enter the information in the following order:
 city, province or state, and then country (all in the City, village, or post
 office box). Follow the country's practice for entering the postal code.
 Do not abbreviate the country name.
- Married taxpayers Each married taxpayer should establish a separate estimated tax account. If you and your spouse each maintain an estimated tax account and file a joint New York State income tax return, we will credit the balances of both accounts to your joint income tax return.
- All filers must be sure to separately enter the amounts for New York State, New York City, Yonkers, and MCTMT; then enter the total in the *Total payment* box.

Note: If there is no amount to be entered for one or more lines, leave them blank

Do not staple or clip the check or money order to the voucher. Detach any check stubs before mailing.
