**1. Jointly and Severally Liable**

Each Lessee is jointly and severally liable for the payment of rent and performance of all other terms of this agreement.

**2. Security Deposit**

Lessee has deposited with Lessor, the sum set forth above as a security deposit to secure the faithful performance by the Lessee of all the provisions contained in this lease. If Lessee performs all the obligations as provided in this lease and pays all sums due Lessor, then Lessor, after the Lessee has surrendered possession of the Premises and delivered the keys to the Lessor, shall refund said deposit to Lessee within 21 days of the Lessee vacating the Premises. If Lessee has failed to perform or comply with any of the provisions of the lease, then Lessor may apply all or any part of the security deposit in payment of any sums due from Lessee to Lessor, or to pay for the repair of any damages caused by Lessee, Lessee's co-occupants or guests. The Lessee shall not apply the security deposit to any rent owed during the term of the lease unless Lessee obtains written permission from Lessor to do so.

**3. Possession**

If Lessor cannot deliver possession of the Premises at the commencement of the lease term, the rent shall be abated until the Premises are available for occupancy by Lessee, or at Lessee's option, the Lessee may terminate this lease upon written notice to Lessor. Lessor shall not be liable to Lessee for any consequential damages to Lessee arising as a result of Lessor's inability to give Lessee possession of the Premises at the commencement of the lease term.

**4. Condition of Premises**

Lessee has examined the Premises prior to accepting the same and prior to the execution of this lease, and is satisfied with the physical condition thereof, including but not limited to the heating, plumbing and smoke detectors. Lessee's acceptance of possession shall constitute conclusive evidence of Lessee's receipt of the Premises in good order and repair as of the commencement of the lease term. Lessor or his agent has made no promises as to condition or repair to Lessee, unless they are expressed in this lease or a rider attached hereto signed by Lessee and Lessor or his agent, and no promises to decorate, alter or repair the Premises have been made by Lessor or his agent, unless expressed herein.

## **5. Limitation of Liability**

The Lessor shall not be liable to the Lessee, Lessee's family, invitees, or guests for any damage to persons or property caused by act or omissions of other Lessees or other persons, whether such persons be off the property of Lessor or on the property with or without permission of Lessor. Additionally, the Lessor shall not be liable for losses or damage from theft, fire, water, rain, storm, explosion, or other cause whatsoever. Also, to the extent allowed by law, the Lessor shall not be liable for losses or damages from failure, interruption or malfunction in the utilities provided to Lessee under this lease. Further, to the extent allowed by law, the Lessor shall not be liable for injuries in or around the recreational facilities or elsewhere on the premises, Lessee agrees to maintain safety while using decks by avoiding leaning on the rails. Finally, Lessor shall not be liable, except as provided by law, for any defects in the premises or damage caused by such defects if the defects are unknown to the Lessor.

## **6. Lessee to Maintain**

Lessee shall keep the Premises and the fixtures and appliances therein in a clean and healthy condition, and in good working order, and in accordance with any and all ordinances applicable to the tenancy, at Lessee's own expense, and upon the termination of this lease, for any reason, Lessee shall return the Premises to Lessor in as good a condition of cleanliness and repair as at the commencement of this lease, reasonable wear and tear expected. Lessee shall make all necessary repairs to the Premises whenever damage has occurred or repairs are required due to Lessee's conduct or neglect. Lessee shall replace all broken glass and fixtures and shall maintain all smoke and carbon monoxide detectors in good condition at all times, including replacing spent batteries as necessary. Upon Lessee vacating the Premises, if the Premises are not clean and in good repair, Lessor or his agent may replace the Premises in the same condition of repair and cleanliness as existed at the commencement of the lease term. Lessee agrees to pay Lessor for all expenses incurred by Lessor in replacing the Premises in that condition. Lessee shall not cause or permit any waste, misuse or neglect to occur to the water, gas, utilities or any other portion of the Premises.

## **7. Use of Premises**

The Premises shall be occupied for residential purposes only, and only by the persons disclosed in this lease and on the Application for Lease submitted by Lessee in connection with the renting of the Premises. Lessee shall not engage in any activity, which will increase the rate of insurance on the property. Lessee shall not allow trash to accumulate in the common areas of the Premises or allow objects to be thrown from windows. Lessee shall not hang objects out of windows or place objects on windowsills or ledges, which may fall and injure persons below. Lessee shall not keep any pet in the Premises without written permission being first obtained from Lessor. Lessee shall not use porches for cooking, sleeping or storage of furniture, bicycles or other items of personal property. In no case shall Lessee allow porches or decks to be overloaded or occupied by more people than would be reasonably safe based on the condition of such porch or deck.

**8. Appliances**

Lessee shall not install any air conditioning, heating or cooling equipment or dishwashers or clothes washers or dryers or other appliances in any portion of the building or Premises occupied by Lessee without first obtaining Lessor's written permission to do so. All such appliances installed by Lessee shall be maintained in good working order by Lessee and removed by Lessee at the expiration of the term of the lease. Any damage caused by appliances installed by Lessee shall be the responsibility of Lessee and Lessee shall reimburse Lessor for the cost of repair of any damage caused by such appliances.

**9. Disturbance**

Lessee agrees not to play televisions, radios or musical instruments or musical playback equipment in a manner which disturbs other tenants, and shall maintain the volume of such equipment at reasonable levels. In addition, Lessee agrees to limit playing of such equipment between the hours of 10:00 p.m. and 7:00 a.m. to a volume that cannot be heard by persons outside of the Premises.

**10. Access to Premises**

Lessee shall permit the Lessor access to the Premises at all reasonable times, subject to the notice requirements of applicable law or ordinance, to inspect the Premises and/or to make any necessary repairs, maintenance or improvements or supply necessary or agreed upon services, or to determine Lessor's compliance with the provisions of this Lease. In the event of an emergency or where repairs in the building require access to Lessee's Premises, Lessor may enter without prior notice to Lessee, without the same being considered a forcible entry by Lessor. Lessee's failure to provide such access shall be a breach of this lease, and Lessor shall be entitled to terminate this lease in the event such access is denied by Lessee.

**11. Sublet or Assignment**

Lessee shall not sublet the Premises or any part thereof, nor assign this lease, without obtaining Lessor's prior written permission to sublet or assign. Lessor shall not unreasonably withhold permission and will accept a reasonable sublease as provided by ordinance.

**12. Holding Over**

If the Lessee remains in possession of the Premises or any part thereof after the termination of the lease by lapse of time or otherwise, then the Lessor may, at Lessor's option, consider such holding over as constituting a month-to-month tenancy, upon the terms of this lease except at double the monthly rental specified above. Lessee shall also pay to Lessor all damages sustained by Lessor resulting from Lessee's retaining possession of the Premises. In the event Lessor accepts a payment of rent for a period after the expiration of this lease in the absence of any specific written agreement, continued occupancy shall be deemed a month-to-month tenancy, on the same terms and conditions as herein provided, except for the double rent provision, to the extent permitted by state or local law or ordinance.

**13. Forcible Detainer**

If Lessee defaults in the payment of rent or any part thereof, or if Lessee defaults in the performance of any of the covenants or agreements herein contained, Lessor or his agents, at Lessor's option, may terminate this Lease and, if abandoned or vacated, may re-enter the Premises. Non-performance of any of Lessee's obligations shall constitute a default and forfeiture of this lease, and Lessor's failure to act in response to Lessee's default shall not constitute a waiver of said default.

**14. Liability for Rent**

Lessee shall continue paying rent and all other charges for the Premises to the end of the term of this lease, whether or not the Premises becomes vacant by reason of abandonment, breach of the lease by Lessee, wrongful termination by Lessee or if the Lessee has been evicted for breach of this lease, to the extent said obligation for rent has not been mitigated, abated or discharged, in whole or in part, by any law or ordinance. Notwithstanding any of the provisions contained in this section, the Lessor shall make a good faith effort to re-let the Premises (but not in priority to other vacancies) and if the Premises is re-let, Lessee shall be responsible for the balance of the rent, costs, and advertising costs in connection therewith.

**15. Binding Effect**

If Lessee shall violate any covenant or provision of this lease, Lessor shall have the right to terminate this lease or Lessee's right to possession pursuant to the lease upon appropriate legal notice to Lessee. If Lessee assigns this lease, whether with or without Lessor's permission as required herein, the covenants and conditions contained in the Lease shall nonetheless be binding on the assignee as if assignee had signed the lease. Nothing contained in this paragraph shall preclude Lessor from commencing legal proceedings against any assignee of this lease who obtained possession from the party named as Lessee in this Lease without Lessor's written permission.

**16. Continuous Occupancy**

Lessee shall maintain continuous occupancy of the Premises, and not allow the same to remain vacant for any period in excess of twenty-one days without notifying the Lessor of such vacancy seven days in advance. Lessee shall not allow persons other than those authorized by the Lease to occupy the Premises as guests for periods exceeding seven consecutive days during the term of the Lease for any reason.

**17. Remedies Cumulative**

Lessor's remedies contained in this Lease are cumulative and are in addition to, and not in lieu of, any other remedies granted to Lessor pursuant to this Lease or applicable State or Local Law or Ordinance.

**18. Fire or Casualty**

If the Premises, building or any part thereof shall become uninhabitable as a result of fire, explosion or other casualty, Lessor and Lessee shall have all of the rights provided by state or local law or ordinance. For purposes of this paragraph, Lessor's good faith effort to obtain insurance adjustments, settlements or awards to obtain sufficient funds to perform repairs made necessary due to fire, explosion or other casualty shall be deemed diligent efforts to repair the Building within a reasonable time.

**19. Security Gates or Bars**

The installation by Lessee of any metal gate or bars on doors or windows is dangerous and strictly prohibited. Lessee shall immediately remove same upon notice by Lessor to Lessee to do so, and Lessor shall have the right to immediately remove any such installation at Lessee's expense if Lessee fails to do so upon notice. Lessee at this moment grants Lessor access to the leased Premises at all reasonable times to remove such gates or bars. The cost of repairing any damage to the leased Premises caused by the installation and removal of such gates or bars shall be paid by Lessee upon demand by Lessor, therefore, in addition to all costs of enforcement of this paragraph 22. In addition to the preceding, the installation of such gates or bars shall constitute a breach of this lease, entitling Lessor, at Lessor's sole option, to terminate Lessee's right to possession of the Premises pursuant to this lease and commence proceedings to dispossess Lessee from the Premises.

**20. Mechanic's Liens**

Lessee shall not place or allow to be placed on the Premises, the building or elsewhere on the real property, any claim for a lien for any repairs, maintenance, alterations or modifications performed by, or ordered by, the Lessee, regardless if the same were rightfully performed or ordered by the Lessee. The placement of any such lien shall constitute a breach of this lease, and upon ten days' notice to cure said lien or lien claim, Lessor may terminate Lessee's tenancy or right to possession. Also, the Lessor shall have the right to satisfy and remove said lien without regard to the merits of the lien, and Lessee shall be responsible for the damages incurred in removing the lien, along with other damages incurred by Lessor in connection with the removal of the lien.

**21. Rules and Regulations**

Lessee agrees to obey the Rules and Regulations contained in this Lease, and any attachments hereto as well as any further reasonable Rules and Regulations established by the Lessor during the pendency of this lease. The Rules and Regulations are hereby incorporated into and made a part of this lease. Failure to observe the Rules and Regulations shall be deemed to be a material breach of this lease, and in event of such breach, Lessor shall be entitled to terminate Lessee's right to possession under the Lease upon ten days' notice, and shall further be entitled to such rights and remedies as provided by applicable state or local law or ordinance.

**22. Subordination of Lease**

This lease is subordinate to all mortgages which may now or hereafter affect the real property of which the Premises forms a part. The recordation of this lease, or any memorandum thereof by Lessee shall constitute a material breach of this lease.

**23. Severability**

If any clause, phrase, provision or portion of this lease, or the application thereof to any person or circumstance, shall be determined to be an invalid or unenforceable under applicable law or ordinance, such event shall not affect, impair or render invalid or unenforceable the remainder of this lease or any other clause, phrase, provision or portion hereof, nor shall it affect the applicability of any clause, provision or portion hereof to other persons or circumstances, and the lease shall be interpreted in accordance with said ordinance.

**24. Utilities**

Unless otherwise agreed in writing, if the Premises is separately metered for utilities, Lessee shall pay the utility company or authorized metering agency directly for all applicable charges for gas, electricity, water and other utilities serving the Premises, including, if applicable, telephone, internet, cable, and current used for electric heating, ventilation, air conditioning, hot water, etc., as such charges become due and payable.

The Notice to Vacate will specify the default and Lessor's intent to terminate this Lease. In such event, the Lessor may terminate this Lease, and Lessee shall have (1) day from the date that the notice is delivered to vacate the premises and to return the keys and all opening devices to Lessor. Also, if this Lease is terminated for any reason under this Paragraph, the Lessor shall recover reasonable attorneys' fees and costs.

**29. Heat and Hot Water**

Lessor agrees to provide Lessee with heat and hot water in sufficient quantities as may be required by law or ordinance during the term of the lease. If the Premises contains separate heating and/or hot water fixtures, then Lessor's sole obligation shall be to provide Lessee such fixtures in good operating condition at the commencement of the lease, and Lessee shall be responsible for the utility costs for the operation thereof.

**30. Modification**

No modification, waiver, or amendment shall be made to this Lease, or any of its terms, without being written and signed by all parties.

**31. Alterations & Improvements**

Lessor warrants that any such safety devices are in proper working condition at the time Lessee takes possession. Lessee releases Lessor from any and all liability, loss, cost, damage, or expense arising from or relating to any failure, defect, or deficiency of any safety device.
