Dear Venkata:

The enclosed IRS tax form 5498-SA shows your 2023 contributions to your ConnectYourCare health savings account (HSA). Please use this information to fill out IRS tax form 8889 which is what you'll need to submit your taxes. To access IRS tax form 8889 log in at irs.gov and navigate to Forms and Publications.

**Here's what you need to know:**

- Box 2 shows your total contributions made for 2023 including those made in 2023 for 2022, if applicable.
- You have until the tax filing deadline of this year to submit contributions for 2023. If you make any contributions in 2022 before the tax deadline for 2023 you will receive an updated 5498-SA in May.
- To get your total contributions for 2023 add Box 2 plus Box 3. Please note if you made any contributions in 2023 for 2022 you need to review your updated 5498 for 2022 and subtract that Box 3.
- The Fair Market Value consists of your HSA cash balance and any investment balance as of 12/31/2023
- If you had a reportable distribution for 2023, you'll also get tax form 1099-SA. If you did not use (no distributions) your HSA in 2023 you will not get a 1099-SA.

## Instructions for Participant

This information is submitted to the IRS by the trustee of your health savings account (HSA), Archer medical savings account (MSA), or Medicare Advantage MSA (MA MSA).

Generally, contributions you make to your Archer MSA are deductible. Employer contributions are excluded from your income and aren't deductible by you. If your employer makes a contribution to one of your Archer MSAs, you can't contribute to any Archer MSA for that year. If you made a contribution to your Archer MSA when your employer has contributed, you can't deduct your contribution, and you will have an excess contribution. If your spouse's employer makes a contribution to your spouse's Archer MSA, you can't make a contribution to your Archer MSA if your spouse is covered under a high deductible health plan that also covers you.

Contributions that the Social Security Administration makes to your MA MSA aren't includible in your gross income nor are they deductible. Neither you nor your employer can make contributions to your MA MSA.

Generally, contributions you or someone other than your employer make to your HSA are deductible on your tax return. Employer contributions to your HSA may be excluded from your income and aren't deductible by you. You and your employer can make contributions to your HSA in the same year.

See Form 8853 and its instructions or Form 8889 and its instructions. Any employer contributions made to an Archer MSA are shown on your Form W-2 in box 12 (code R); employer contributions made to an HSA are shown in box 12 (code W). For more information, see Pub. 969.

**Participant's identification number (TIN).** For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN). However, the issuer has reported your complete identification number to the IRS.
