FOR CONSUMER ACCOUNTS ONLY — IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC FUNDS TRANSFERS:

If you need information about an electronic fund transfer or if you believe there is an error on your bank statement or receipt relating to an electronic fund transfer, telephone the bank immediately at the phone number listed on the front of your statement or write to:

TD Bank, N.A., Deposit Operations Dept, P.O. Box 1377, Lewiston, Maine 04243-1377

We must hear from you no later than sixty (60) calendar days after we sent you the first statement upon which the error or problem first appeared. When contacting the Bank, please explain as clearly as you can why you believe there is an error or why more information is needed. Please include:

- Your name and account number.
- A description of the error or transaction you are unsure about.
- The dollar amount and date of the suspected error.

When making a verbal inquiry, the Bank may ask that you send us your complaint in writing within ten (10) business days after the first telephone call.

We will investigate your complaint and will correct any error promptly. If we take more than ten (10) business days to do this, we will credit your account for the amount you think is in error, so that you have the use of the money during the time it takes to complete our investigation.

INTEREST NOTICE

Total interest credited by the Bank to you this year will be reported by the Bank to the Internal Revenue Service and State tax authorities. The amount to be reported will be reported separately to you by the Bank.

FOR CONSUMER LOAN ACCOUNTS ONLY — BILLING RIGHTS SUMMARY

In case of Errors or Questions About Your Bill:

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at P.O. Box 1377, Lewiston, Maine 04243-1377 as soon as possible. We must hear from you no later than sixty (60) days after we sent you the FIRST bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

FINANCE CHARGES: Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline/Overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.

Effective July 1, 2023

Part III: Funds Availability Policy

Longer Delays May Apply

In some cases, we will not make all the funds that you deposit by check available at the times shown in this Policy. Depending on the type of check you deposit, funds may not be available until the second (2nd) Business Day after the day of your deposit. The first \$225 of your deposit, however, will be available no later than the first (1st) Business Day after the day of your deposit.

In addition, funds deposited by check may be delayed for a longer period under the following circumstances:

- a) You deposit checks totaling more than \$5,525 within the same business day
- b) We believe a check you deposited will not be paid;
- c) You re-deposit a check that has been returned unpaid;
- d) You have overdrawn your Account repeatedly, or would have overdrawn your Account if checks had been honored in the last six (6) months;
- e) There is an emergency, such as failure of communications or computer equipment. (Note: The first \$225 will be made available no later than the first (1st) Business Day after the day of your deposit).

We will notify you if we delay your ability to withdraw funds for any of these reasons. If we are not going to make all of the funds after your deposit available on the first (1st) Business Day, we may notify you at the time of your deposit. We will mail you a notice by the day after we receive your deposit, and we will tell you when the funds will be available. They will generally be available no later than the seventh (7th) Business Day after the date of your deposit. If you will need the funds after a deposit right away, you should ask us when the funds will be available. If you have questions, visit any TD Bank or call us at 1-888-751-9000.
