#### Part B – Declaration of taxpayer and authorizations for Forms IT-201, IT-201-X, IT-203, IT-203-X, IT-214, and NYC-210

Under penalty of perjury, I declare that I have examined the information on my 2023 New York State electronic personal income tax return, including any accompanying schedules, attachments, and statements, and certify that my electronic return is true, correct, and complete. The ERO has my consent to send my 2023 New York State electronic return to New York State through the Internal Revenue Service (IRS). In addition, by using a computer system and software to prepare and transmit my form electronically, I consent to the disclosure to New York State of all information pertaining to the transmission of my tax form electronically. I understand that by executing this Form TR-579-IT, I am authorizing the ERO to sign and file this return on my behalf and agree that the ERO's submission of my personal income tax return to the

IRS, together with this authorization, will serve as the electronic signature for the return and any authorized payment transaction. If I am paying my New York State personal income taxes due by electronic funds withdrawal, I certify that the account holder has authorized the New York State Tax Department and its designated financial agents to initiate an electronic funds withdrawal from the financial institution account indicated on my 2023 electronic return, and authorized the financial institution to withdraw the amount from that account. As New York does not support International ACH Transactions (IAT), I attest the source for these funds is within the United States. I understand and agree that I may revoke this authorization for payment only by contacting the Tax Department no later than two (2) business days prior to the payment date.

#### Part C – Declaration of electronic return originator (ERO) and paid preparer

Under penalty of perjury, I declare that the information contained in this 2023 New York State electronic personal income tax return is the information furnished to me by the taxpayer. If the taxpayer furnished me a completed paper 2023 New York State return signed by a paid preparer, I declare that the information contained in the taxpayer's 2023 New York State electronic return is identical to that contained in the paper copy of the return. If I am the paid preparer, under penalty of perjury I declare that I have examined this 2023 New York State electronic personal income tax return, and, to the best of my knowledge and belief, the return is true, correct, and complete. I have based this declaration on all information available to me.

Before you check Box D, E, or F below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

**Part II Long-Term.** Transactions involving capital assets you held more than 1 year are generally long-term (see instructions). For short-term transactions, see page 1.

**Note:** You may aggregate all long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 8a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box D, E, or F below. Check only one box. If more than one box applies for your long-term transactions, complete a separate Form 8949, page 2, for each applicable box. If you have more long-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

**(D)** Long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS (see **Note** above)

[] (E) Long-term transactions reported on Form(s) 1099-B showing basis wasn't reported to the IRS
