

STATE OF TEXAS
EARNED INCOME TAX CREDIT NOTIFICATION

Texas Employee:

The Earned Income Tax Credit (EITC) is a federal income tax credit available for working people with low to moderate income. The credit amount you receive depends on your marital status, the amount of your earned income, and the number of children you have. To claim this credit, you must file a federal income tax return, even if you do not owe any tax and are not required to file a return.

For more information about the requirements for claiming this credit, visit the IRS EITC website.
