As-salamu 'alaykum (peace be upon you),

The Qur'an instructs us to race towards good, and at Yaqeen, we've joined the race.

We're running towards faith, towards uplifting people through Islam, towards a world that knows Yaqeen will be there to answer every question, comfort every doubting heart, and always speak up for truth.

You've been racing right alongside us, and we are grateful for your constant support.

Thank you for your donation of **\$153.99** to Yaqeen Institute for Islamic Research in 2023. This year, you've funded innovative curriculum units, groundbreaking research studies, and a robust voice for truth and justice that has echoed around the world.

Because of you, the race continues for another year.

May Allah bless your generous hands and accept your efforts as we all strive towards Him.

With gratitude,

Dr. Omar Suleiman
Founder, President, and CEO
