End of Report

- Carded Gaming Activity -

The information in this win/loss report is being provided in response to a request by the person listed on the report. The activity is associated with the player's club card only. Hence, no assurance is made that this activity was accumulated by the person named in the report. The figures in the report may not be all inclusive of the person's gaming activity and only reflects the information currently available in the Choctaw Casinos database. Further, the "Dollars In" figure on the report may include winnings and may not be an accurate representation of investment.

This win/loss statement represents carded play only and does not account for wins or losses accrued outside of carded play. Carded play is defined as "Reward's Club Member's playing history while Member's rewards club card is inserted during play." The total of the jackpots on this report may not be the total reported to the IRS A win/loss statement is not a substitute for W2G information. Players should use their W2G copies to determine the total amount of jackpots won throughout the tax year.
