2023 year-end summary of credit card transactions

This statement takes a look at how, when and where you used your credit card ending in 5842 between January 1, 2023, and December 31, 2023. While this report is for informational purposes only, you may find it useful when making a budget, preparing your taxes or reviewing how you use your credit card for different types of purchases.

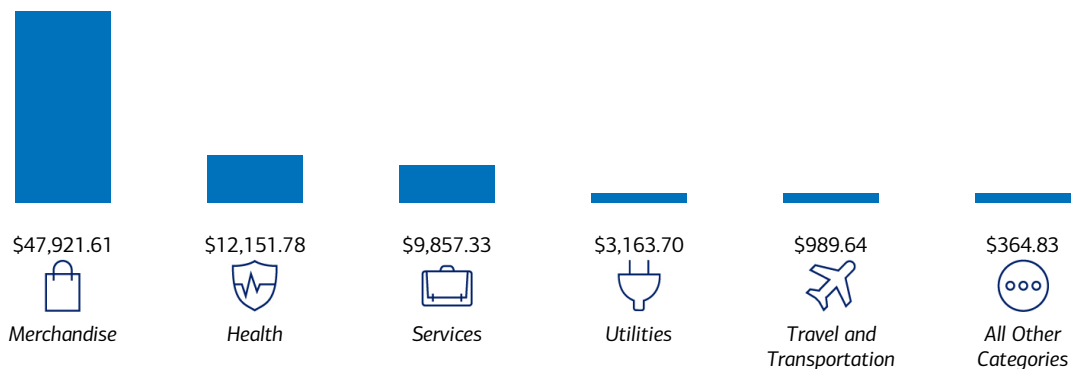

Note: This summary includes transaction activity from any upgraded, lost, or stolen accounts. Charges from December 2023 that did not post until January 2024 are not included in this recap.

Account snapshot

Total spent
\$74,448.89

Total interest
Refer to your credit card statement for total interest on your account.

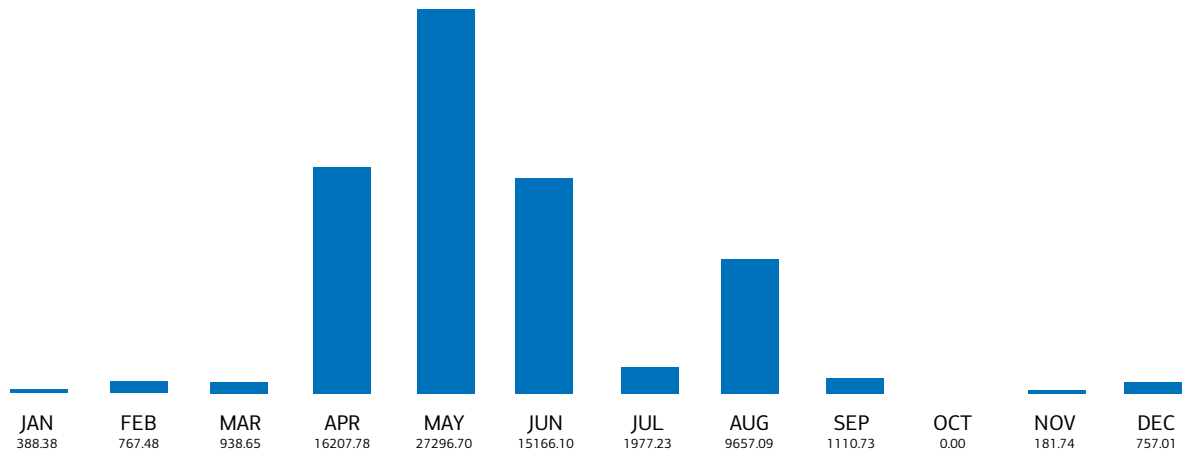

2023 Summary of transactions

Understanding your spending pattern

To provide insight into how and where you spend your money, we've summarized your transactions by time frame and by type of transaction.

Monthly spending for 2023

2023 Summary by month
