THIS IS NOT A BILL. THIS IS AN INFORMATION STATEMENT ONLY. KEEP FOR YOUR RECORDS.

Copy B For Recipient. This is important tax information and is being furnished to the Internal Revenue Service (IRS). If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported.

Box 2. This amount may be different from what you actually received for your Michigan income tax refund. It does not include refundable credits, such as the property tax credit (however, some or all of your property tax credit may need to be reported as income on your federal return). It does include amounts used to pay use tax, amounts contributed to voluntary contributions, amounts you chose to credit forward, and amounts deducted from your refund to pay a previously owed debt. The amount shown may be subject to federal income tax if you deducted state income taxes paid as an itemized deduction on your federal return. Interest received on your refund must be included as interest income on your federal return. See instructions for your federal income tax return.

Box 3. Identifies the tax year for which the refund or offset shown in Box 2 were made.
