DEPARTMENT OF THE TREASURY - INTERNAL REVENUE SERVICE

Instructions for Recipient
1099-NEC - OMB #1545-0116 (Rev. January 2022) This is important tax information and is being furnished to the IRS. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported.
 You received this form instead of Form W-2 because the payer did not consider you an employee and did not withhold income tax or social security and Medicare tax.
 If you believe you are an employee and cannot get the payer to correct this form, report the amount shown in box 1

on the line for Wages, salaries, tips, etc., of Form 1040, 1040-SR, or 1040-NR. You must also complete Form 8919 and attach it to your return. For more information, see Pub. 1779, Independent Contractor or Employee.
 If you are not an employee but the amount in box 1 is not self-employment (SE) income (for example, it is income from a sporadic activity or a hobby), report the amount shown in box 1 on the Other income line (on Schedule 1 (Form 1040)).
 Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification (Continued on the other side)
