

# Identity Protection PIN (IP PIN)

**Your Identity Protection PIN is: 134416**

## What You Need To Do

**Print this page and secure it along with your tax records.**

Enter your IP PIN on your Federal tax return as indicated below:

- If you file electronically, your tax software or practitioner will tell you where to enter your IP PIN for you, your spouse, and/or dependents if applicable.
- If filing a paper return, enter your IP PIN(s) as applicable in the boxes marked "Identity Protection PIN" in signature area of the return.

## What To Remember About Your IP PIN

- You must use the IP PIN on all federal income tax returns 1040 and 1040 PR/SS and any delinquent returns filed during the current calendar year 2024.
- Don't reveal your IP PIN to anyone other than your tax preparer.
- You can't use your IRS IP PIN on a state income tax return.
- New IP PINs are generated each year and can be retrieved from the IP PIN application in early January each year. You will not receive an IP PIN notice.

## Additional Information About Your IP PIN
