**LINE 9b**: Enter the amount of estimated tax payments including any amounts paid with an extension. Estimated payments may be subject to the underpayment of estimated tax penalty if not paid timely. The total of the quarterly estimates should equal 100% of the prior year's tax or 90% of the current year's tax

**LINE 9c**: Enter the amount of taxes withheld for or paid to another city. Residents of the City of Cincinnati may claim taxes paid to another city up to 1.8% of the Qualifying Wages reported on each individual W-2. Credit is limited to the local tax rate used **(1.8% or less)** multiplied by the Qualifying Wages, and is further restricted if the municipality has a wage cap. Part-year residents may claim taxes paid to other cities for the part of the year they were a resident. Nonresidents may not claim taxes paid to another municipality. (Provide documentation in the form of W-2s or tax returns submitted to other municipalities). Partners claiming credit for taxes withheld by a partnership must provide documentation to support this credit.

In Part A, indicate if a Federal Extension was filed.

#### Part B - Declaration of Estimated Tax for the Following Year

The City of Cincinnati requires that you remit the tax during the year you earn the income to avoid interest and penalty charges. We recommend that you use 100% of your previous year's income to estimate the current year tax liability to ensure that you meet your estimated tax payment obligation. If the preceding tax year was not for a full 12-month period, make estimated payments based on your current year's income or on an annualized amount of your previous year's earnings. If the total estimate due after applicable credits for 2024 is less than \$200.00, then no declaration is required to be filed

The amount of tax due is the first of four quarterly estimated tax payments. **We will not bill you for the remaining quarterly installments.** The second payment is due on 06/17/24 and is equal to the total estimated tax on line 18 divided by 4 less any overpayment still available from prior years. The third payment is due 09/16/24 and the final estimated payment is due 01/15/25. **Failure to remit timely estimated payments will result in the assessment of interest and penalties.**
