Part II Declaration of Taxpayer and Signature Authorization

Under penalties of perjury, I declare that I have examined a copy of my individual income tax return and accompanying schedules and statements for the year ending December 31, 2023, and to the best of my knowledge and belief, it is true, correct and complete. I further declare that the information I provided to my Electronic Return Originator (ERO), Transmitter, or Intermediate Service Provider (including my name, address and social security number or individual tax identification number) and the amount shown in Part I above agree with the information and amounts shown on the corresponding lines of my electronic income tax return. If I am filing a balance due return, I understand that if the Virginia Department of Taxation (Virginia Tax) does not receive full and timely payment of my tax liability, I remain liable for the tax liability and all applicable interest and penalties. I authorize my ERO, Transmitter or Intermediate Service Provider to transmit my complete return to Virginia Tax. I have selected a personal identification number (PIN) as my signature for my electronic income tax return and, if applicable, the direct deposit of my refund or direct debit of my tax due. In choosing either direct deposit or direct debit, I certify that the transaction does not directly involve a financial institution outside of the territorial jurisdiction of the United States at any point in the process. Taxpayers may sign the form using a rubber stamp, mechanical device, such as a signature pen, or computer software program.
