The information in boxes 1 through 9 and 11 is important tax information and is being furnished to the IRS. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if the IRS determines that an underpayment of tax results because you overstated a deduction for this mortgage interest or for these points, reported in boxes 1 and 6; or because you didn't report the refund of interest (box 4); or because you claimed a nondeductible item.

*Consult your tax advisor regarding the deductibility of this amount. The amount in Box 5 is the amount of premiums actually paid in the previous calendar year. This includes any upfront premiums paid plus the mortgage insurance amounts paid.
