### Estimated Hospital Charges

Consistent with our *Patients First* mission, financial counselors are available to assist patients who have questions about the charges for services or procedures they may receive at Northwestern Medicine Hospitals and care clinics. Estimates are based on charges for anticipated routine care and recovery, taking into consideration insurance coverage, co-payments, deductibles, coinsurance and other information that may affect personal out-of-pocket costs. Estimated charges for the services or procedures to be performed will be based on data obtained from the most recent year.

To obtain information regarding the estimated charges of services or procedures, please call:

#### Financial Counseling

800-423-0523

Monday through Friday, 8 a.m. to 5 p.m.

An estimate regarding the charges for services or procedures will normally be provided within two business days.

Actual charges on the final bill may vary from the estimate based on the patient's medical condition, unknown circumstances or complications, final diagnosis and additional recommended treatment ordered by the physician(s). As a result, the final bill may be greater than or less than the estimate provided. Northwestern Medicine makes no guarantees regarding the accuracy of the pricing estimate.
