Troy residents and businesses using irrigation systems this summer: please limit watering to non-peak hours of 11pm – 5am. Watering during these hours helps keep water rates low. The use of garden hoses and hand watering are not impacted by this ordinance.

Curbside yard waste collection has resumed! Please ensure all yard waste is in paper bags or cans with a yard waste sticker. Branches must be less than 3ft in length and bundled or tied. Visit [troymi.gov/yardwaste](http://troymi.gov/yardwaste) for additional details and information.
