

Dear SATHISHKUMAR RAMALINGAM,

The documents you will need to complete registration of your MODEL Y in TX are included in this packet.

Please take these documents to your local vehicle registration authority (typically your local Department of Motor Vehicles), where you will be advised on required steps to complete the registration process.

Please be aware that Tesla has not charged you TX taxes or registration fees; therefore, you will be required to pay these, if applicable, at the time of registration.

You are responsible for titling and registering your vehicle within your state's registration window. Any late fees and/or other penalties charged by the state for missing this deadline are the sole responsibility of the vehicle owner/registrant.

Do not make any alterations or corrections or use white-out on any of these forms because the local vehicle registration authority will not accept them. If you're financing your purchase, such modifications to the documents may also result in penalties from your lender and may jeopardize your financing.

- Bill of Sale/Motor Vehicle Purchase Agreement*
- Manufacturer's Certificate of Origin or Title*
- Application for Title (Form 130-U)*
- Odometer Disclosure Statement (VTR-40)*
