1. Your allocable share of losses may be limited to your tax basis in the partnership. Please consult your tax advisor.
2. If you are a foreign partner, 100% of Line 1, Line 2, and Line 13V are considered income/loss effectively connected with a U.S. trade or business. Line 4B may be considered effectively connected income. Line 13V is not included in the amount calculated on Line 20Z. Please consult your tax advisor
3. If you are a tax exempt partner, 100% of Line 1, Line 2, and Line 13V represents your separately stated share of unrelated business taxable income/loss. Line 4B may be considered unrelated business taxable income. Please consult your tax advisor
4. Line 19A represents cash distributions and state withholding and composite payments made on your behalf during the 2023 calendar year
5. These amounts are estimates for the 2023 tax year. However, the state amounts reported on the following page represent your share of income through December 31, 2023
6. The amounts reported below are estimates for the purpose of calculating your fourth quarter estimated tax payments. Your final withholding payments and composite tax liability will be reported to you in your 2023 K-1 package

State	Apportionment Factor	Apportioned Income	Apportioned Deductions	Withholding Paid to Date	Taxable Income	Composite Tax Liability
California	11.6996%	0	0	0	54	7
Massachusetts	38.6462%	0	0	0	736	37

To the extent you are not included in a composite return, you will not have an amount reported in the columns labeled Taxable Income or Composite Tax Liability. Instead, you may have an amount reported in the columns labeled "Apportioned Income", Apportioned Deductions and Withholding Paid to Date if you are subject to withholding in that particular state

The estimated New Hampshire apportionment factor is 8.9927%

Reconciliation of 2023 Tax Distributions:
