

Jai Srimannarayana!

Sri Ashtalakshmi Temple Board would like to thank you for your generosity in 2023 wholeheartedly. We trust that with Acharya H.H. Sri Chinnajeeyar Swamiji's mangala:sa:sanams and Sri Lakshmi Narayana's grace, you have been doing very well.

2023 has been an extremely crucial year in the landscape of Sri Ashtalakshmi Temple with the commencement of the Statue of Union project by H.H. Sri Chinna Jeeyar Swamiji on the premises of our temple. [Click here for the project full vision](#). To have the 4th tallest Statue in the United States and the tallest Vedic Statue in the western hemisphere in Houston is certain to carve out a special page in the annals of history and we are indeed blessed to be part of this magnificent project. [Please click here for the Journey of Statue of Union photo album](#). Don't miss your opportunity to [contribute to the project](#) and also your role in making your near and dear aware of this project.

Kids Meal project has restarted its activities in the Temple. Kids Vikas has to date made over 70,000 meal packets with Kids Meals Organization being the beneficiary to serve children in need and conducts its activity in the temple on a weekly basis.

Another recent development at Sri Ashtalakshmi Temple is a volunteer run kitchen called Saatvik Bhog. The kitchen serves "Saatvik" food that can be purchased, and all proceeds go to the Temple's causes. The Temple is also working on a plan for a full kitchen renovation that will increase its scope of service.

In addition to every Friday evening Sri Mahalakshmi Abhishekam, Saturday morning Vishesh Poojas, temple is continuing to conduct weekly yoga classes, Bhagavatha Kalakshepam on Sunday mornings, Bhagavad Gita chanting on Sundays afternoon. Temple also has a Library / Store.

Prajna Vedic classes for students in both ALT and Katy locations have been conducting classes with great fervor. Many children who had started out in Prajna as elementary schoolers have now graduated from high school with honors and have secured places in prestigious universities. They routinely attribute their success to the values they learned in Prajna, and some have returned as teachers to give back what they received.

VT Seva, the service wing of Sri Chinna Jeeyar Swamiji's organization has been

actively conducting its activities in the Greater Houston area and also has been supporting schools for blind and tribal children in India. The Houston chapter of VT Seva works very closely with the temple.

The Temple's foundation and framework have always been its donors. Many generous devotees have come forward as recurrent donors for the temple to sustain its monthly expenses and many have made one-time donations. In addition, many have come forward to take part in the Statue of Union project.

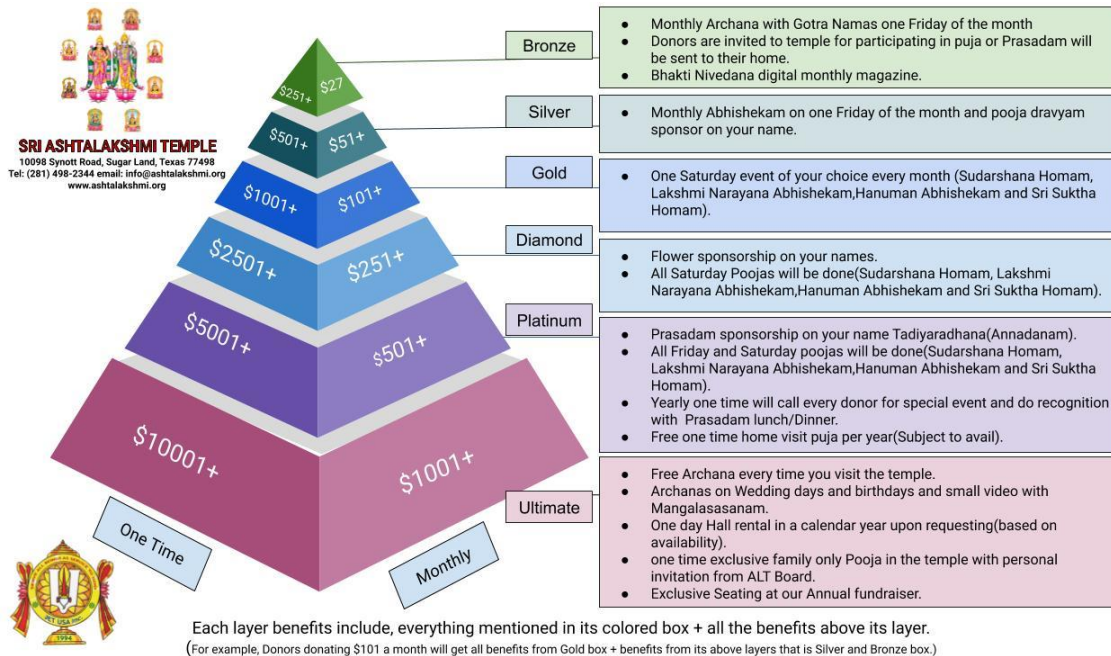

We request that you kindly visit www.ashtalakshmi.org and www.statueofunion.org to learn further about the status of the project and how you can contribute to the project. The Wall of Union is a unique way to etch your names in history alongside the Statue of Union. Please find details about the Wall of Union at statueofunion.org.

The Temple board of directors recognizes very well that your donations to the temple are the lifeline for the temple's functioning and sustenance. Thus, we humbly request you to please consider becoming recurring donors (<https://ashtalakshmi.org/recurring-donation/>) for your temple to play your part in upholding and continuing to propagate authentic Vedic tradition and values.
