New York State requires this income tax return to be filed electronically.

Attention tax return preparer:

Most tax return preparers are required to e-file their clients' New York State tax returns. Because this return was prepared using software, you **MUST** use e-file. If you file a paper New York State tax return, you will be in violation of New York State law.

Preparers who file paper returns are subject to penalties.

Avoid penalties and e-file this return.

Attention taxpayer:

New York State law requires this return to be filed electronically. If your tax return preparer has provided you with a paper New York State tax return with instructions to mail it, contact that preparer and request that the return be electronically filed.

- **No charge for e-filing:** New York State Tax Law prohibits your tax preparer from charging you a separate or additional fee for e-filing your New York State tax return.
- **Faster tax refunds:** New York State tax refunds on e-filed returns are twice as fast as refunds on paper returns.
- **Most New Yorkers** enjoy the benefits of e-filing.

Visit our website for more information about New York's e-file mandate.
