REMITTANCE COUPON

In accordance with your instructions we are pleased to confirm the transaction or order for your account and risk subject to terms listed below.

Please inform our office promptly if there is an error in this confirmation. Your failure to do so may result in the inability to amend a transaction. Please address all communications to the firm and not to individuals and include your brokerage account number on all checks and communications.

It is understood and agreed that all transactions made for you are subject to the rules and customs of the exchange or market (and its clearing house, if any) where executed by us or by our agents, of the Financial Industry Regulatory Authority, Inc., as the case may be and to the Securities Exchange Act. It is further understood and agreed that on margin business all securities or other things bought or held by us, are pledged as collateral security for any and all claims and demands we then, or hereafter may have against the party giving such orders whether arising thereunder or not. It is further understood and agreed that we have the right to close transactions without further notice, at public or private sale, without liability for subsequent difference in value, when such a sale or purchase is deemed necessary by us for our protection, with the right upon our part of becoming the purchaser thereof free from all trust; that securities held by us in margin accounts (and in cash accounts until paid for in full) are or may be hypothecated for the sum, due thereon, or for a greater sum, under circumstances which will permit the commingling thereof with securities carried for the account of other customers; and that we have the right to loan such securities held by us.

Confirm Date represents the day the trade was processed. Trade Date represents the day the trade was or should have been executed. If Confirm Date is later than Trade Date--an "As Of" Trade--the price received is based on Trade Date. Please contact your broker-dealer if you have any questions.

When-Issued, When-Distributed or TBA Transactions: The information contained herein is an estimate based upon information available at the time of your order. The final figures will be forwarded to you when obtainable upon issue, delivery or pool allocation. Such transactions shall be settled at such time, place and in such manner and by delivery of such securities and/or other property as determined by the exchange or association to whose requirements the transaction is subject, or shall be canceled if such exchange or association shall so determine. National Financial Services LLC, ("NFS"), may demand deposits to secure this transaction and reserves the right to close this transaction upon the failure of the customer to tender such deposit.

With the exception of managed accounts, National Financial Services ("NFS"), an affiliate broker-dealer, will execute the fractional component of a customer order in a principal capacity.

Open Orders. An open order will remain in effect until executed or canceled. Customers may attempt to cancel open orders at any time prior to execution. NFS will cancel open orders after 180 calendar days (or in accordance with standards set by your Employer) and we reserve the right, but are not obligated to, cancel open orders when the limit price becomes unrealistic in relation to the market price. Limits on open orders to BUY and STOP ORDERS TO SELL, subject to the rules of the exchange or association where the securities are traded, may be automatically adjusted on the date the security trades "ex-dividend", "ex-rights", "ex-distribution", or "ex-interest". Unexecuted portions of an open order which are executed on subsequent days are treated as separate orders for commission purposes, in accordance with industry practices.

Orders marked "solicited" are not the result of "investment advice" from Fidelity, as that term is defined under ERISA and underlying U.S. Department of Labor Regulations, except to the extent that Fidelity utilizes an unaffiliated third party in obtaining such advice.

Payment for Order Flow Disclosure [Exchange Act Rule 10b-10(a)(2)(i)(C)]. Fidelity Brokerage Services LLC ("FBS") and/or NFS receives remuneration, compensation, or consideration for directing orders in equity securities to particular broker/dealers or market centers for execution. The source and nature of any compensation received in connection with your particular transaction will be disclosed upon written request to FBS. Please review FBS's annual disclosure on payment for order flow policies and order routing policies.

The private placement memorandum, term sheet, prospectus or other disclosure documents ("Offering Materials") you previously received include important information concerning your alternative investment transaction (e.g., hedge funds, private equity funds, REITS). Please refer to these materials for an explanation of the subscription (i.e., purchase) and redemption process as well as information regarding compensation that FBS or NFS may receive from you and/or the alternative investment in connection with your transaction. The settlement date for these transactions is often extended a number of days beyond the subscription (i.e., trade) or redemption date. As part of the subscription process, your subscription funds could be held in escrow until such time as your subscription is accepted by the alternative investment. Gross proceeds are reflected on the statement and may not be realized at the time of the redemption if the fund is subject to a holdback. See the Offering Materials for more details. Any such assets retained by the fund are held as a general obligation of the fund and are not protected by SIPC.

In connection with (i) access to, purchase, sale, exchange or redemption of, and/or maintenance of positions in mutual funds, ETFs and other investment products ("funds") such as alternative investments or private placements or (ii) infrastructure needed to support such funds, some funds, or their investment affiliates, pay FBS and/or NFS sales loads and 12b-1 fees described in the Offering Materials as well as additional compensation for shareholder services, start-up fees, platform support and maintenance, and marketing, engagement and analytics programs. Additional information about the source(s) and amount(s) of compensation as well as other remuneration received by FBS or NFS will be furnished to you upon written request.

Currency exchanges may be effected by Fidelity FOREX, Inc. on a principal basis. Fidelity FOREX, Inc., an affiliate of NFS, may impose a commission or markup on the prevailing interbank market price. Fidelity FOREX may in turn share a portion of any foreign exchange commission or markup with NFS and/or FBS. The currency exchange rate applicable to any foreign security trade is available upon request.

For trades of positions set up for average cost, the cost basis per share is calculated as the average price of all shares in the position and shares are depleted on a first-in-first-out basis.

When there are multiple lots for the particular date indicated via versus purchase, the system depletes the lots starting with the highest quantity lot and moves through the lots in descending order of quantity until the order is filled. If an order cannot be matched versus purchase, or if the order quantity exceeds the matched lots, lots are depleted using the account-level default disposal method. If more than one lot has the same date and quantity, selection among such lots is random.

The local broker in a foreign securities transaction may be Fidelity Clearing Canada ULC, an affiliate of NFS and FBS.

Other remuneration may have been received and information will be furnished on request. At the time you purchase shares of a no-load fund, those shares will be assigned either a transaction fee (TF) or no transaction fee (NTF) status. When you subsequently sell those shares, any applicable fees will be assessed based on the status assigned to the shares at the time of purchase.

Certificates of deposit and certain securities, including bonds, preferred stocks, and common stocks, may be subject to call or redemption (prior to maturity, if applicable). Call features may exist in addition to those which may appear on the front of the confirmation. Early call or redemption could affect Yield. Complete information will be provided upon written request.

This statement is computed for payment by bank draft on settlement date. If payment is made at a later date, additional interest to date of payment will be charged.

Name of the other party, time of execution and remuneration furnished on request. Fidelity Brokerage Services LLC, Member NYSE/SIPC. Account carried with National Financial Services LLC.
