Helpful Information

Please read the following information related to your tax situation:

Please Note

Your refund may be reduced even further if you owe any past due obligations such as child support, another federal agency debt, or state income tax.

If this applies to you, the Bureau of the Fiscal Service (BFS), who issues IRS refunds, will send you a notice informing you of any offset they have made. The details of the debt are not provided to the IRS. Please do not call us to inquire about the details because we will not be able to answer your questions. Instead, direct any questions you have about the offset or debt to the agency identified on the notice.
