Nonrefundable Renter's Credit Qualification Record

e-file and skip this page! The tax software product you use to e-file will help you find out if you qualify for this credit and will figure the correct amount of the credit automatically. Go to **ftb.ca.gov** to check your e-file options. You can claim the nonrefundable renter's credit using CalFile.

If you were a resident of California and paid rent on property in California, which was your principal residence, you may qualify for a credit that you can use to reduce your tax. Answer the questions below to see if you qualify. For purposes of California income tax, references to a spouse, husband, or wife also refer to a California Registered Domestic Partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737. **Do not mail this record. Keep with your tax records.**
