DO NOT SEND A PAPER COPY OF YOUR RETURN TO THE IRS. IF YOU DO, IT WILL DELAY THE PROCESSING OF THE RETURN.

If You Need to Make a Change to Your Return

If you need to make a change or correct the return you filed electronically, you should send a Form 1040X, Amended U.S. Individual Income Tax Return, to the IRS Submission Processing Center that processes paper returns for your area. The address is available at *www.irs.gov*, or you can call the IRS toll-free at 1-800-829-1040.

If You Need to Ask About Your Refund

The IRS notifies your Electronic Return Originator (ERO) when your return is accepted, usually within 48 hours. If your return was not accepted, the IRS notifies your ERO of the reasons for rejection. If it has been more than three weeks since the IRS accepted your return and you have not received your refund, go to <code>www.irs.gov</code> and click on "Where's My Refund?" to view your refund status. Exception: If box 3 above is checked, allow 4 to 6 weeks for processing of your return. A notice will be sent to you advising of changes to your return.

Also, you can call the TeleTax line at 1-800-829-4477, for automated refund information. You should have available the first social security number shown on your return, your filing status, and the exact amount of the refund you expect. TeleTax gives you the date for mailing or depositing your refund. You should receive your refund check within 30 days of the date given by TeleTax, or within one week of that date, if you chose direct deposit. If you do not receive it by then, or if TeleTax does not give your refund information, call the Refund Hotline at 1-800-829-1954.

BAA REV 10/17/18 PRO Form **9325** (Rev. 1-2017)

The IRS uses refunds to cover overdue taxes and notifies you when this occurs. The Fiscal Service offsets refunds through the Treasury Offset Program to cover past due child support, federal agency non-tax debts such as student loans and state income tax obligations. Fiscal Service sends you an offset notice if it applies your refund or part of your refund to non-tax debts. If you have questions about the offset, contact the agency identified in the notice. You may also call the Treasury Offset Program Call Center at 1-800-304-3107, if you have additional questions.

If You Owe Tax

If your return has a balance due, you must pay the amount you owe by the prescribed due date. If you paid by electronic funds withdrawal (direct debit) or by credit card, no voucher is needed. The credit card service providers will charge a convenience fee based on the amount of taxes you are paying. The fees and the type of credit or debit cards accepted may vary between providers. You will be told the amount of the fee during the transaction and you will be given the option to either continue or end the transaction. For information on paying your taxes electronically, including by credit or debit card, go to www.irs.gov/e-pay.

If you are not paying electronically you may use Form 1040-V, Payment Voucher, which you can obtain from your Electronic Return Originator. If the IRS does not receive your payment by the prescribed due date, you will receive a notice that requests full payment of the tax due, plus penalties and interest. If you can not pay the amount in full, complete Form 9465, Installment Agreement Request, which you may file electronically. To apply for an installment agreement online, go to www.irs.gov. You may also order Form 9465 by calling 1-800-TAX-FORM (1-800-829-3676). If approved, the IRS charges a user fee to set up an installment agreement.

If You Need to Inquire About Your Electronic Funds Withdrawal Payment

You may call 1-888-353-4537 to inquire about the status of your electronic funds withdrawal payment. If there is a change to the bank account information included on your return, you should call this number to cancel a scheduled payment. You should have available the social security number of the first person listed on the tax return, the payment amount, and the bank account number. Cancellation requests must be received no later than 11:59 p.m. E.T. two business days prior to the scheduled payment date.

Tax Refund Related Financial Products

Financial institutions offer a variety of financial products to taxpayers based on their refunds. Contracts for financial products are between you and the financial institution. The IRS is not associated with the contract. If you have questions about tax refund related products, contact your Electronic Return Originator or the lender.
