Taxpayer Declaration and Signature Authorization (Be sure you get and keep a copy of your return) Part II

Under penalties of perjury, I declare that I have examined a copy of my electronic individual income tax return and accompanying schedules and statements for the tax year ending December 31, 2017, and to the best of my knowledge and belief, it is true, correct, and accurately lists all amounts and sources of income I received during the tax year. I further declare that the amounts in Part I above are the amounts from my electronic income tax return. I consent to allow my intermediate service provider, transmitter, or electronic return originator (ERO) to send my return to the IRS and to receive from the IRS (a) an acknowledgement of receipt or reason for rejection of the transmission, (b) the reason for any delay in processing the return or refund, and (c) the date of any refund. If applicable, I authorize the U.S. Treasury and its designated Financial Agent to initiate an ACH electronic funds withdrawal (direct debit) entry to the financial institution account indicated in the tax preparation software for payment of my federal taxes owed on this return and/or a payment of estimated tax, and the financial institution to debit the entry to this account. This authorization is to remain in full force and effect until I notify the U.S. Treasury Financial Agent to terminate the authorization. To revoke (cancel) a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537. Payment cancellation requests must be received no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment. I further acknowledge that the personal identification number (PIN) below is my signature for my electronic income tax return and, if applicable, my Electronic Funds Withdrawal Consent.

## **Healthcare Entry Sheet**

Keep for your records

The forms associated with healthcare (8965, 8962, 1095-A, 1095-B, 1095-C, and this Healthcare Entry Sheet) all interact with information from the information worksheet. Be sure to enter all personal information including dependents listed on the return **before** using this sheet to track health insurance coverage.

#### Yes No/Partial

Х

Everyone on the tax return was covered by health insurance all year.

If everyone on the return was covered and there was no Market Place coverage (Form 1095-A) then check the YES box above - no other action is required. The 1095-B or 1095-C can be used to verify coverage but you do not need to enter the information if everyone on the return was covered.

Health Insurance Coverage for Individuals: Use this form to report healthcare coverage for individuals for months:

- not reported on 1095-A, 1095-B or 1095-C
- not covered by employer
- months not covered by an exemption

**Note:** The 1095-A information **must** be entered on Form 1095-A in order to correctly calculate any Premium Tax Credit. The 1095-B or the 1095-C months can be entered directly in the table below.

If applicable enter information on form 1095-A, Health Insurance Marketplace Statement

**Note:** The IRS is not requiring the 1095-B or 1095-C be filed with the returns. To track the months covered you can either enter on the 1095-B and/or 1095-C or check the boxes below

If applicable enter information on form 1095-B, Health Coverage

If applicable enter information on form 1095-C, Employer-Provided Health Insurance Offer and Coverage

If applicable enter Market Place exemptions (ECNs) or Request exemptions on form 8965
