### Review your transactions for charitable donations.

Re: Your credit card ending in 3678

Sujatha Murugaiah,

Tax season means tracking down a lot of information, including any tax-deductible donations you've made.

To help get you started, here's a summary of some of the transactions you made last year at Charitable and Social Service Organizations\* that might be eligible for tax deductions:

Organization	Amount
SUMMIT AREA YMCA	\$11255.00

Please double-check the amount shown and [consider using this helpful tool provided by the IRS](#) to confirm whether this transaction—or any other donations you made in 2017—are eligible for tax deductions.

And while we hope this information is helpful, it isn't meant to be tax advice—be sure to talk to a tax advisor to learn more about how tax laws apply to you individually.
