Notice to Employee

Do you have to file? Refer to the Form 1040 instructions to determine if you are required to file a tax return. Even if you don't have to file a tax return, you may be eligible for a refund if box 2 shows an amount or if you are eligible for any credit.

Earned income credit (EIC). You may be able to take the EIC for 2018 if your adjusted gross income (AGI) is less than a certain amount. The amount of the credit is based on income and family size. Workers without children could qualify for a smaller credit. You and any qualifying children must have valid social security numbers (SSNs). You can't take the EIC if your investment income is more than the specified amount for 2018 or if income is earned for services provided while you were an inmate at a penal institution. For 2018 income limits and more information, visit www.irs.gov/EITC. Also see Pub. 596, Earned Income Credit. Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return.

Clergy and religious workers. If you aren't subject to social security and Medicare taxes, see Pub. 517, Social Security and Other Information for Members of the Clergy and Religious Workers.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the Social Security Administration (SSA) to correct any name, SSN, or money amount error reported to the SSA on Form W-2. Be sure to get your copies of Form W-2c from your employer for all corrections made so you may file them with your tax return. If your name and SSN are correct but aren't the same as shown on your social security card, you should ask for a new card that displays your correct name at any SSA office or by calling 800-772-1213. You also may visit the SSA website at www.SSA.gov.

Cost of employer-sponsored health coverage (if such cost is **provided by the employer).** The reporting in box 12, using code DD, of the cost of employer-sponsored health coverage is for your information only. **The amount** reported with code DD is not taxable.

Credit for excess taxes. If you had more than one employer in 2018 and more than \$7,960.80 in social security and/or Tier 1 railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your federal income tax. If you had more than one railroad employer and more than \$4,674.60 in Tier 2 RRTA tax was withheld, you also may be able to claim a credit. See your Form 1040 instructions and Pub. 505, Tax Withholding and Estimated Tax.

Instructions for Employee

However, if you were at least age 50 in 2018, your employer may have allowed an additional deferral of up to \$6,000 (\$3,000 for section 401(k)(11) and 408(p) SIMPLE plans). This additional deferral amount is not subject to the overall limit on elective deferrals. For code G, the limit on elective deferrals may be higher for the last 3 years before you reach retirement age. Contact your plan administrator for more information. Amounts in excess of the overall elective deferral limit must be included in income. See the instructions for Form 1040.

Note: If a year follows code D through H, S, Y, AA, BB, or EE, you made a make-up pension contribution for a prior year(s) when you were in military service. To figure whether you made excess deferrals, consider these amounts for the year shown, not the current year. If no year is shown, the contributions are for the current year.
