For the same coverage the regular rate is \$679 for the year. If you would like to setup a 2nd policy with us, I can do it for the same price which saves you \$137. It wouldn't make much sense to get the basic coverage as the lowest rate for just the combo plan without the water softener and limited roof leak coverage is \$530.

If you would like to proceed the price for the combo plan including the water softener and Roof leak is \$542.00

Call me at 888-934-0001 ext. 3011 if you would like to set it up.

Thanks,
