IMPORTANT TAX DOCUMENT
THIS FORM IS FOR YOUR RECORDS - DO NOT ATTACH WITH YOUR TAX RETURN

INSTRUCTIONS TO RECIPIENT

Box 2. Shows refunds, credits, or offsets of state or local income tax you received. It may be taxable to you if you deducted the state or local income tax paid on Schedule A (Form 1040). Even if you did not receive the amount shown, for example, because: (a) it was credited to your state or local estimated tax, (b) it was offset against federal or state debts, (c) it was offset against other offsets, or (d) you made a charitable contribution from your refund, it is still taxable if it was deducted. If you received interest on this amount, you may receive Form 1099-INT for the interest. However, the payer may include interest of less than \$600 in the blank box next to box 9 on Form 1099-G. Regardless of whether the interest is reported to you, report it as interest income on your tax return. See your tax return instructions.

NOTE: THIS IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE IRS. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS INCOME IS TAXABLE AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED.

For information on how to report the refund amount shown, please refer to the instructions in your state and federal tax booklets when filing your tax return. For information about this notice, call us at the appropriate telephone number listed below.
