Dear Manish,

Thank you so much for your generous contributions in 2017! When you give to Plan International USA, you help to transform the lives of children by providing access to basic rights like education, health care, protection, and clean water. Your compassion helps break the cycle of poverty around the world, creating lasting change for children and future generations. Thank you for all you've done for children in need this year. We look forward to continuing our important partnership together in 2018.

Thank you,
