Our computerized records for 2018 show your total payments from 1/1/2018 to 12/31/2018 to be as stated above. These payments include fees and tuition, but may also cover services other than child care. Please make a copy of this statement for future reference regarding your child care payments for the year as this record may have limited availability. Please keep additional record of your payments such as copies of your check or Family Connections online payment statements in order to provide primary proof of payment in the event of any external audit or inquiry. If you have any questions with respect to this statement, please see your Center Director.

Thank you for being part of our family!
